

The Ladies of Grace Mission Statement

In July of 1998 a group of concerned ladies felt there were special needs of the Grace Gospel Church family. Seeking God's direction, the process of forming a ladies ministry began.

Upon announcing the idea, there was much enthusiasm and interest among the ladies.

With 34 ladies in attendance, the first official meeting was held on August 2, 1998. At this meeting we chose our name, "Ladies of Grace" and elected officers. Our officers elected were – Ann Moore, President; Tina Knopp, Vice-President; Carolyn Pearson, Treasurer and Robin Newhart, Secretary.

Then the ladies began brainstorming to come up with ideas on how we could be of service to the church with projects and committees as well as enjoy fellowship with one another. Each lady filled out a questionnaire so they could prayerfully decide on which projects or committees they could best use their talents. Committees formed were – showers for wedding and babies, visitation, devotions, guest speakers, cards and telephone, meals, special projects and special music projects.

The group meets once a month. We begin our meetings by praying for one another and any special requests. Then we discuss new and old projects, have a time of devotion and whenever possible we have a guest speaker. The meeting is closed in prayer and we adjourn to fellowship with one another....of course this involves yummy desserts and lots of friendly chatter.

In seriousness though, it is our desire to be a blessing to our entire church family; to lend a helping hand wherever there is a need; to lift one another up and grow closer to each other; and most importantly – to Glorify our Heavenly Father.
